NOTE: TG International Insurance Brokerage, Inc. is hereafter referred to as TGI. Insurance coverage does not attach until certificate is reported to TGI.

INTERNATIONAL SELECT PROGRAM: A detailed valued declaration of selected items to be insured is required and must be provided to TGI with certificate reporting copy. Claim settlement will be based upon the value declared, or the cost of replacement, or the cost of repair whichever amount is less.

COVERAGE: "ALL RISKS" as defined in this Certificate.

New and/or used household goods/personal effects are insured while in the course of transportation against ALL RISKS of direct physical loss or damage from any external (fortuitous) cause (Current American Institute Cargo Clauses, excluding "WAR RISKS" Insurance and S.R. & C.C. Endorsement) and are subject to the exclusions/conditions as noted on the face and reverse of this certificate. Only lawful items within lawful shipments of household goods/personal effects are insured. If shipment does not meet requirements of coverage under this household goods program, contact TGI for alternative coverage options.

LIMIT(S) OF LIABILITY: With respect to the property of one individual, the company shall not be liable for more than: **Option A** - US\$5,000 **Option B** - US\$12,000 **Option C** - US\$35,000 for loss or damage to any insured property within the shipment. For shipments valued in excess of US\$35,000, coverage is available at an additional premium charge.

CONDITIONS:

- When more than one of any kind of item is included in the shipment then property owner must specify which item is insured on value list by detailed description including color, size, materials; photo may also be submitted to substantiate condition. In addition, the moving company must note insured items on the conditioned packing inventory.
- Any items not declared, valued, and specifically described are not insured.
- Selected items must be insured at full current market value.
- Current appraisal to substantiate value and condition is required for any one-of-a-kind object of art valued at or above US\$5,000 and must be submitted with the certificate reporting copy prior to shipment.
- Current appraisal to substantiate value and condition is required for any one antique, painting, carpet, set of silverware or object of art that is valued at or above US\$10,000 and must be submitted with the certificate reporting copy prior to shipment.
- Goods insured must be properly packed by a professional, commercial household goods moving company to withstand transportation, and must be shipped by commercial carriers on a DOOR TO DOOR basis, to include delivery and full unpacking by a professional household goods moving company.
- Pairs, sets or parts: If any item of a "set" is lost or damaged, payment is only made for the item lost/damaged, not the entire set.
- Company may, at its option, require proof of ownership, value, and/or proof of shipment of any item claimed.
- A household goods descriptive inventory must be prepared by household goods carrier at time of movement, showing current condition and quantity of goods being shipped. Inventories prepared prior to the date this coverage attaches cannot be used to meet this condition/requirement.
- If property has been transported or stored prior to the effective date of this insurance coverage and a new descriptive inventory was not made, any payment under this insurance shall be proportional when time of loss or damage cannot be established. Such proportion will be based upon the number of days this insurance coverage was in effect versus the entire period of storage and/or transit until its ultimate delivery date.
- When items are grouped together, and only one value is shown for group, then each item will be considered of equal value for insurance/claim purposes unless item can be repaired or replaced for a lesser value.

I have read the face and reverse of this application and have received my copy of the insurance certificate and claim form/instructions. I understand and agree to the terms, conditions and exclusions as stated hereon. I understand that the moving company/forwarder is acting as "agent for the insured" in securing this coverage and that the moving company/forwarder is not TGI's agent, and has no authority to change/modify any condition of coverage.

All loss and/or damage must be witnessed at time of delivery by delivering carrier's representative, and this representative's signature must appear on delivery document verifying the existence of any such loss or damage. FAILURE TO COMPLY PRECLUDES RECOVERY.

(B) Insurance coverage terminates immediately if any of the insured property is released from custody of the Through Bill of Lading Household Goods Carrier to named insured or their designated representative while shipment is enroute to destination.

PREMIUM PAYMENT: Where the named insured has not paid premium directly to TGI within 30 days of coverage issuance, any party receiving premium from the named insured is construed as the insured's agent for payment of said premium to TGI. Failure of TGI to receive such premium will void any and all unpaid insurance coverage. Claims will not be honored unless premium payment has been received by TGI.

AMOUNT OF INSURANCE OR LIMIT OF LIABILITY:

- The Company shall not be liable for more than the amount of insurance shown on the face hereof, for any loss, disaster or casualty; either in case of partial loss or total loss or salvage or any other costs or expenses, or all combined. No betterment allowed.
